Aladin
LIGHT BOX

Brand Introduction

ALADIN focuses on backlit fabric and commercial display lighting solutions, providing professional, flexible, and customized products and services for a wide range of commercial spaces.

From soft film lightboxes, recessed ceiling lightboxes, ceiling-hung lightboxes, shelf lightboxes to outdoor advertising lightboxes, we are committed to combining product design, lighting technology, and spatial applications to create lightbox solutions that deliver both visual impact and practical functionality.

We offer flexible customization in size, structure, and graphic displays to meet the diverse needs of retail malls, commercial spaces, showrooms, stores, and various advertising display projects.

Shaping Visuals with Light. Illuminating Spaces with Design.
